

The Long Center is pleased to announce that 3M has awarded the Long Center's Catalyst 8 a \$20,000 membership matching grant. The membership challenge begins immediately with the goal of 65 new members in just 8 months!

In an effort to promote young professionals supporting the arts, 3M will match all membership gifts to Catalyst 8 dollar-for-dollar until December 31<sup>st</sup>, 2010, up to \$20,000. 3M has been very impressed with the growth and impact of Catalyst 8 and wanted to reward the good work the group does through the "Boost" Rental Subsidy fund, which is where the funds will be applied.

"Cultivating younger donors helps ensure that we will continue to have a vibrant arts community in Austin for years to come," says Russell Bridges, 3M Government & Community Affairs Manager. "3M congratulates Catalyst 8 on their past successes, and we are excited to be partnering with them to benefit the Long Center and to assist emerging arts groups to have access to its world class facilities."

More about

**Who are we?**

A group committed to "making it happen" by spreading awareness about the Long Center and the arts, providing opportunities for social access and involvement, and developing future leaders in the community.

**What do we do?**

100% of funds raised by Catalyst 8 fuel the Boost Program. Boost awards rental subsidies to Austin area emergent and underserved arts groups. Boost offsets costs so that a wider diversity of performances and audiences can experience The Long Center's world class stages. Since its inception in 2007, Boost has awarded 24 arts groups more than \$40,000 in rental subsidies.
